

2008 New Orleans Service Trips

Global Hope was born of a Yoga Among Friends retreat held at the Good Hope Plantation in Jamaica in 2006. We discovered a common thread of joy, compassion and service. With an awareness that Yoga is also “off-the-mat.” We created Global Hope to offer the gift of service in the world. Our mission is to identify and empower the underserved. To date, Global Hope has supported domestic and global endeavors in the areas of disaster relief, medical research, education & the construction of two schools.

Global Hope is a 501(c)(3) not-for-profit
